Contemporary Worship Experience: Sunday, October 30th

On Sunday, October 30th, the worship service will be different. It will be a Contemporary Style Worship Service, which is significantly different from the Traditional Style Worship Service. It maintains the basic components of a meaningful worship service: reading of Scripture, the delivery of a Message, the sharing of prayers and the singing of Songs of Praise .

This style of worship is a trial run. Those attending worship, either in person or by streaming, will be invited to evaluate the experience. Evaluation forms will be made available. Your input is extremely important.

Please read more about the Contemporary Style Worship Service in the October Newsletter/Beacon!
