*The Thursday Murder Club* by Richard Osman (2020)

"In a peaceful retirement village, four unlikely friends meet weekly to discuss unsolved crimes; together they call themselves The Thursday Murder Club. When a local developer is found dead, the Thursday Murder Club suddenly finds themselves in the middle of their first live case. The friends might be septuagenarians, but they are cleverer than most. Can our unorthodox but brilliant gang catch the killer before it's too late?"

This book is available for purchase online if you are interested!
